

THE WHITE HOUSE  
HISTORICAL ASSOCIATION

# THE WHITE HOUSE REPRESENTS THE CONTINUUM OF AMERICAN HISTORY AND CULTURE.

Since its inception, the White House Historical Association, guided by the vision of First Lady Jacqueline Kennedy, has acquired, restored, and preserved treasures that were once in the White House itself, or represented the historic periods of White House history. We would not have been able to do so without the generosity of donors like you. Here's a sample of the treasures we've secured.
